EVENT SPACES

CHEFS TABLE

20 standing, 12 seated

Our Chef's Table is located adjacent to our bar and is suited for private events, partitioned with a curtain, or semi-private seated or standing events of a more casual nature. It is cozy and secluded, but nicely situated to feel part of the action of the restaurant. A preset menu is required.

BAYONNE ROOM

30 standing, 30 seated

The Bayonne Room is a private or semi-private dining area within our main dining room. This space can be open with accessible views to the main dining room and kitchen or can be fully partitioned and private. A preset menu is required.

ENCLOSED TERRACE

75 standing, 50 seated

Our terrace is a private space located adjacent to the main dining room. This space can be reserved for seated or standing events and is fully covered and adaptable for changes in weather; we can fully enclose the room for precipitation or temperature control or can leave it fully open for more al fresco dining. The table configurations are customizable for different party sizes and styles and ideal for speakers and/or presentations. A preset menu is required.

COOKS & SOLDIERS BAR

30 standing

This semi-private space is ideal for Happy Hour events or casual celebrations. We can offer standing receptions designed for catching up with friends or enjoying an evening after work with colleagues. Our reception style menu is designed for passing. We allow reservations for this space for two-hour blocks of time. Other diners will be seated within visible proximity. A preset menu is required.

MAIN DINING ROOM

100 standing, 110 seated

The Main Dining Room can be reserved for semi-private seated or standing events. We can customize event flow based on preferences and arrange floor plans to meet any requirements. Speakers, live music and presentations are not allowed in this space when booked as a semi-private function. Other diners may be seated within visible proximity and passageways to the kitchen and bar will be kept open. A preset menu is required.

COOKS & SOLDIERS

250 standing, 180 seated

If you wish to host an entirely private event, Cooks & Soldiers can be closed to the public. A buy-out of the restaurant will include the entire main dining room, terrace and bar areas. We can offer seated or standing events for up to 250 guests. For buy-out events, a food and beverage minimum does apply and is based upon the day and time of the week. Entertainment, speakers and presentations are welcome. A preset menu is required.

ADDITIONAL NOTES

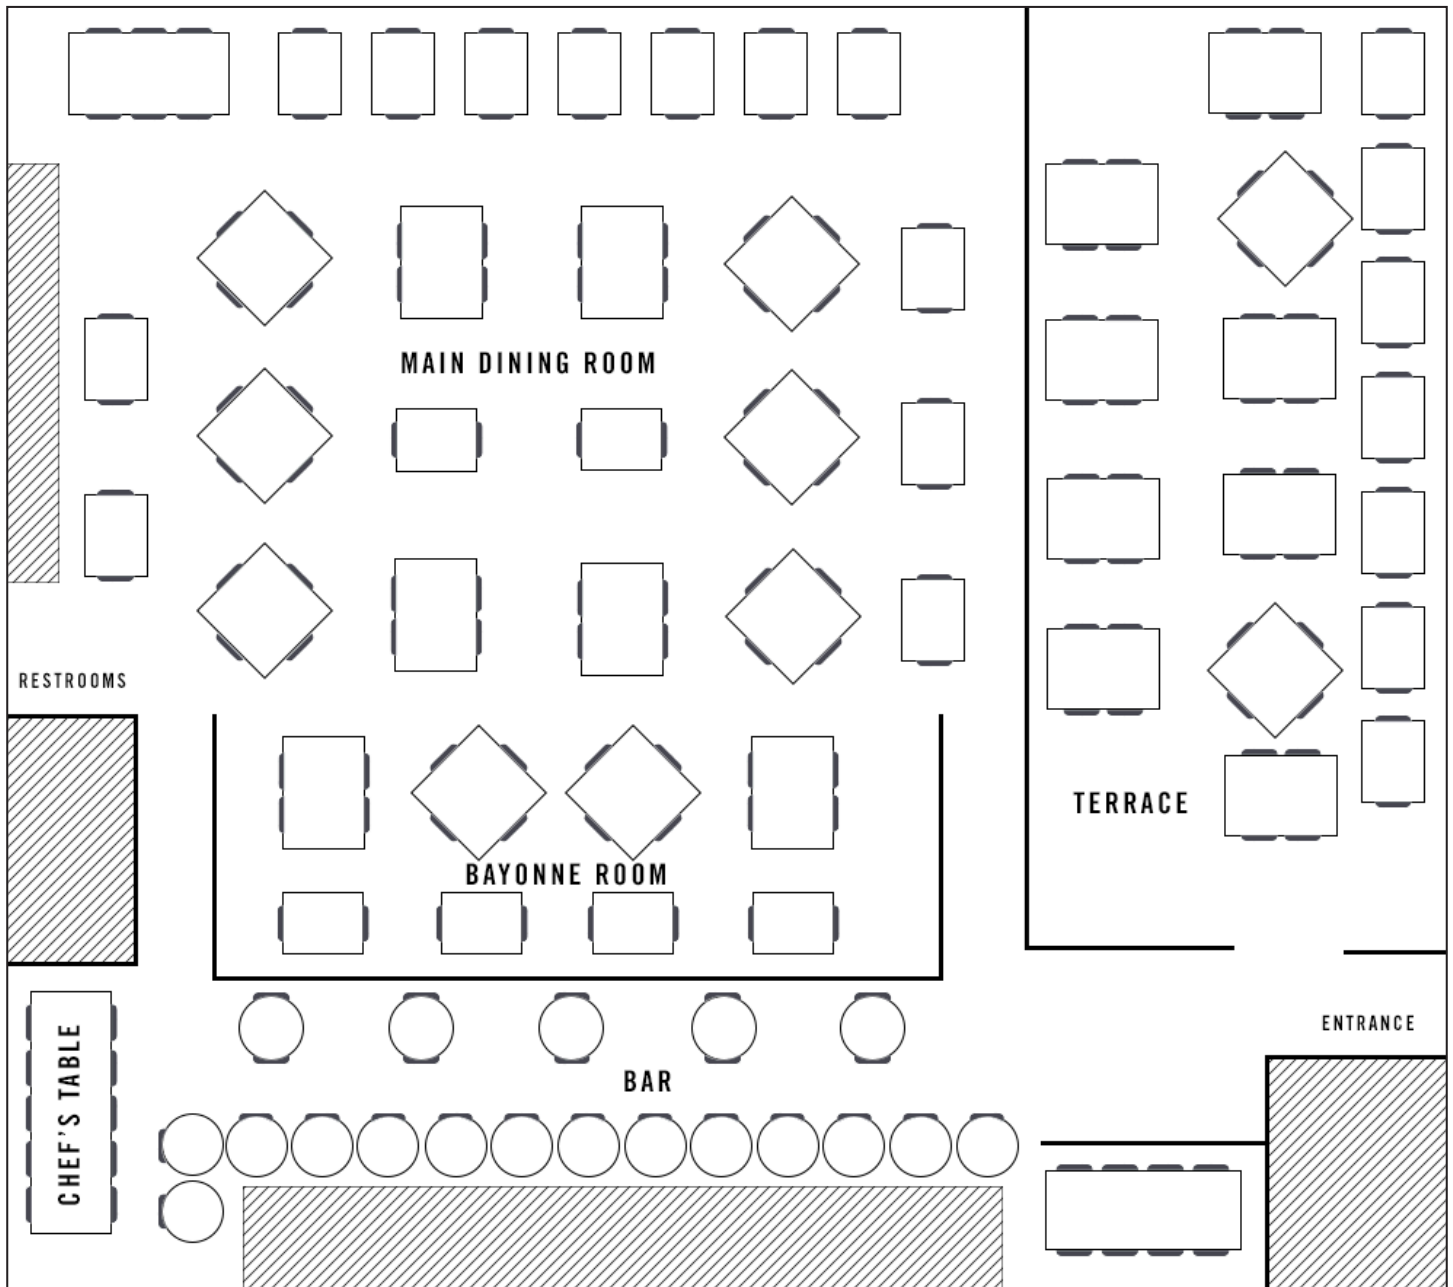

Cooks & Soldiers is open for dinner service only. If you are interested in booking a weekday day-time luncheon or event, we would be happy to explore all of the options with you regarding your specific request. Please inquire for more details.

Audio/visual equipment and projector available upon request.
